

## True Giving

*We give but little, when we give of our goods.  
It is only when we give of ourselves that we truly give.*

*There are people who have a lot but who give little.  
And the little that they give is given to win praise from  
others, this makes their giving worthless.*

*But there are people who have little and who give it all.  
These are the really great people. Through the hands  
of such people God cares for his people and through  
their eyes he smiles on the world.*

*We may feel that we have not much to give. Let this  
not deter us. We can give little things and give them  
with great love.*

*Then we will be imitating the poor widow, who was  
able to look beyond her own need, because she  
placed all her trust in God.*

**Fr Terry msc**

## THIS WEEK

*This poor widow has put in more  
than all who contributed.*
