

MSC MISSION OFFICE KENSINGTON PARISH APPEAL

The story of the workers in our Gospel tells us that God is generous beyond what people expect. Isaiah tells us that God's ways are not our ways, but far above what we would think. Many people are generous which others may think to be foolish, naïve or unwise. Paul reminds us also about what "would be unworthy of the gospel of Christ". In this we think what is 'worthy' of Christ, of God. To be generous as God is generous, as Jesus was generous in feeding the 5,000, is to be worth of God, to follow Jesus, to be a follower.

Our MSC Mission Office aims to live by this same generosity of God, to show the compassion of Jesus Christ by generosity to those in need. Many people are much worse off than we are, even in this difficult time of the pandemic. These people often lack water or the water is polluted or distant; they strive to find money for school fees and material; they lack health facilities; often our missionaries struggle with everyday needs and the demands of their pastoral work. On top of this they have the problems of Covid and Ebola. For social and cultural reasons they live close together in extended families and villages, making pandemic preventative measures impossible. Many missionaries find it hard to meet everyday needs in their pastoral care of the people.

Through our Projects we seek to assist them in all these areas of difficulty. We need your generous support to continue to carry this out. Our aim is to give a "hand up", not a "hand out", to enable people to have the opportunity of a better life.
